OBJECTIVE

As a passionate web developer, I am eager to contribute to the creation of innovative digital products. With a solid foundation in HTML, CSS, and JavaScript, along with experience working with various frameworks, I am confident in my ability to quickly adapt to new environments. I am seeking a full-stack developer position where I can continue to learn and grow in a dynamic company.

EDUCATION

10/2022 - Currently	Industrial University of Ho Chi Minh City Major: Software engineer Third-year student
---------------------	--

SKILLS

Frontend	- HTML, CSS, Javascript, Web responsive - Bootstrap 5 - Angular, ReactJS
