OBJECTIVE

As a passionate web developer, I am eager to contribute to the creation of innovative digital products. With a solid foundation in HTML, CSS, and JavaScript, along with experience working with various frameworks, I am confident in my ability to quickly adapt to new environments. I am seeking a full-stack developer position where I can continue to learn and grow in a dynamic company

EDUCATION

2022 - Present **Industrial University of Ho Chi Minh City**
Major: Software engineer
Third-year student
